

### PROFILE

Founded in 1970, the Université de la Méditerranée (Aix-Marseille II) is a comprehensive institution offering programs in three broad sectors: **health; sciences; and humanities, social sciences, and technology.** It staff of 2,700 and an enrollment of 23,000, of whom 12 percent are international students from more than 110 countries.

#### Major fields of study

Offering a wide variety of academic and professional programs in seven teaching and research faculties, two specialized schools (one Engineering School and a School of journalism and communication), and three institutes, the Université de la Méditerranée has also established a subsidiary to exploit the benefits of research efforts conducted on campus. The twin missions of the new entity are to initiate and manage European and international research projects, and to promote the emergence of start-ups based on research results.

#### Research

**The Université de la Méditerranée is a comprehensive university with special strengths in health and the life sciences.**

Research is conducted in 11 thematic areas by 73 research units, 85 % of which are affiliated with a national research organization. The university has 14 networks and 8 doctoral programs.

**Comprehensiveness and multidisciplinary are strong points at Aix-Marseille II, as is the university's enthusiastic commitment to the new European degree system known as LMD.**
